

MESSAGE OF WELCOME

It is with great pleasure that we welcome today the players, supporters and Officials of the four competing teams in the Opening Round of the Escort Cup for 1979.

This is an historic occasion for Australian Football in Queensland and we are delighted to be able to field such great sides as Western Districts and Windsor Zillmere to meet what will no doubt be stiff opposition from two great South Australian sides, West Torrens and South Adelaide.

We in Queensland are appreciative of the excellent support that our game receives from our Sponsor, W.D. & H.O. Wills. To them we say a sincere thank you.

We extend best wishes to all in today's clashes and trust the Escort Cup series of 1979 will be an unqualified success.

Norm Crimmins,
President, Q.A.F.L.

LEST WE FORGET

At the going down of the sun. . .
and in the morning
we shall remember them.
Lest we forget.
